Longer on request

Straight wires and hooked wires are cut to your length specification. 5,000 minimum required. Straightness is approximately 1" TIR in 3 feet. This can be improved upon request.

*SPECIAL SPINNER WIRE FORM MEASUREMENTS

If none of the stock forms above meets the needs of your application, they can be made with custom lengths or diameters. No premium is charged when you order a custom spinner wire. 5,000 minimum required. They are eligible for discount. See the table below for measuring dimensions.
